Experience

Johnsons Bee Farm- Sales Representative

Current

Located in Goodlettsville TN

The job tasked included collecting the honey from the hives and filtering the honey for packaging and selling. I also sold honey at the Farmers Market. Customer service was a main focus point at the bee farm.

The Legacy Golf Course

Current

Located in Springfield TN

I worked at the Legacy Golf Course for in the summer for the past three summers. My job description was working in the grill area, I was responsible for preparing food for customers as well as ringing their totals up at the end of their meal. I also closed out the register at night when the course closed: which including counting the drawer and depositing money. While working on the Beverage Cart, I was responsible for loading the cart down with grill items and riding around the course selling them to players.
